## Training Logistics

### Training Team :

Our goal is to help clients enhance the skills of their employees and managers. We work closely with HR departments and management teams to deliver customized training programs tailored to identified needs.

### Teaching methods and tools :

- A blend of theory and practical exercises.
- Projected training materials.
- Online access to training materials after the course

### Certification Requirements :

- Full attendance throughout the training.
- Successful completion of all certification assessments.
- Certificate valid for 24 months.

### Monitoring and Evaluation :

- Attendance sheets.
- Training evaluation forms.

### Accessibility for persons with disabilities :

We are committed to ensuring that our training programs are accessible to all. Prior arrangements will be made between the designated disability officer and the participant to provide necessary accommodations.

**At the end of this training, additional modules are available to reinforce the learning**
